MGS MONITOR STAND

The MGS is a **RGB monitor stand** that rises the screen for optimal viewing to encourage proper posture and maximize comfort. Comes with 4x USB 3.0 ports in the front to easily access your peripherals and includes smartphone & tablet holders. There is space for keyboard and storage drawer that helps your desk looking tidy and clean.

MARS GAMING

---

1. Connect the USB cable included in the rear USB port of the stand to the USB 3.0 port of the computer.
2. Stand length can be adjusted by folding the feet to fit different desk sizes.
3. Remove smartphone holder and drawer to support your smartphone or tablet.

How to control the RGB LIGHTING

1. Hold ☼ button for 4 seconds to switch ON/OFF the lighting system
2. Press ☼ button to choose between the 10 different lighting modes

Please, keep this sheet for future references.
